Report

On plantation at Rachenahalli Lake in association with Mahatma Gandhi Institute of Rural & Energy Development (MGIRED), Srirampura, Jakkur cross, Bangalore-64 on 5th June 2016.

Planting is not and never a local cause but a global one. Conserving the nature and natural habitats of flora and fauna is a responsibility of all the life science students. So planting of trees was an important event in concern with conservation of nature for future. A group of 30 students pursuing B.Sc. in CBZ stream of K.L.E.'s S. Nijalingappa Degree College planted 150 useful trees like Bamboo, Pongamia, Mango and Neem on the lake bunds from fisherman place to Rachenahalli gate. Smt. M.R.Chaya of chemistry department accompanied the team. MGIRED provided us the necessary plants for the event and other accessory materials needed while planting like fertilizer.

Department of Chemistry

Report

On plantation at Rama Madera ground on 3rd July 2016 in association with Rajajinagar Eco Club.

A group of 30 students of K.L.E.'s S. Nijalingappa Degree College planted 50 useful trees like Bamboo, Pongamia, Mango and Neem around Rama Madera play ground in association with Rajajinagar Eco Club. The programme was started with planting the tree by the Former Minister and present MLA of Rajajinagar Sri Suresh Kumar and BBMP Corporator Deepa Nagesh. Residents of the Rajajinagar also joined their hand. Smt. M.R.Chaya, Sri R .A. Yadahalli of Chemistry Department and Sri Shivakumar Ganachari of English Department accompanied the team. Rajajinagar Eco Club provided the necessary plants and other accessory materials needed while planting like fertilizer.
